

This train is bound for glory, this train.
This train is bound for glory, this train.
This train is bound for glory,
Carries us all, we're blessed and holy,
This train is bound for glory, this train.

This train don't carry no sadness, this train.
This train don't carry no sadness, this train.
This train don't carry no sadness,
Fills you up with joy and gladness.
This train don't carry no sadness, this train.

This train is powered by spirit, this train.
This train is powered by spirit, this train.
This train is powered by spirit,
Christ love's callin', can you hear it?
This train is powered by spirit, this train.

This train will carry you higher, this train.
This train will carry you higher, this train.
This train will carry you higher,
Fill your heart with holy fire.
This train will carry you higher, this train.

This train is filled with love, this train.
This train is filled with love, this train.
This train is filled with love,
It's the word from up above,
This train is filled with love, this train.

This train is bound for glory, this train.
This train is bound for glory, this train.
This train is bound for glory,
Carries us all, we're blessed and holy,
This train is bound for glory, this train.
